LICENSE UPGRADES

The Emigre Font Software is licensed for use at a single location for use with a maximum of six (6) devices. For example: (1) printer with up to five (5) CPUs. The Emigre Font Software may not be shared between locations or business entities. Each additional location and/or entity must purchase a separate license to be used in accordance with the terms of the Emigre Font Software License. License upgrades may be purchased for use with additional devices. The upgrade price is calculated as a percentage of the original price of the software. - 1 - 6 devices (standard license)
- 7 -12 devices: add 50 percent
- 13-60 devices: add 20% for each 6 devices
- 61-150 devices: add 15% for each 6 devices
- 151-300 devices: add 10% for each 6 devices
- over 300 devices: add 5% for each 6 devices

Very large or unlimited uses of the Emigre Font Software will require a custom license agreement.
